

RedHeads

Cat Bird Seat

Coonawarra • Cabernet Sauvignon • 2021

Noun. An enviable position, having the upper hand or greater advantage.

“Those bloody winemakers at RedHeads, always in the Catbird Seat, getting all the best grapes!”

The Wine:	A stand-out single-vineyard Cabernet Sauvignon, straight from the 'forgotten' wine region of Coonawarra.
Grape Variety:	Cabernet Sauvignon
Region:	Coonawarra
The Grower:	Sourced from a single vineyard from renowned Coonawarra vigneron and RedHeads friend, Jack Burston. Jack used to sell the fruit to a big, premium brand, but was delighted when RedHeads wanted to bottle them solo. Hence RedHeads always being in the Catbird Seat! The exceptional fruits were planted under the guidance of the late Wayne Stehbens, the prodigy winemaker of 40 years at the award-winning winery Katnook.
Winemaking:	Machine harvested in the afternoon to avoid the morning dews in the Coonawarra. De-stemmed and partially fermented in Matured in predominantly french oak and a small portion in American oak for 18 months.
Tasting Notes:	Lifted dark berry and earthy nose with dark chocolate and vanilla notes. Stewed blackcurrant and plum fruits on the palate with dark chocolate and long savoury spice on the finish.
Ageing:	This wine will cellar 8-10 years.
Food Pairing:	This wine pairs well with a strong bitey vintage cheese, BBQ seasoned brisket.
Alc. Vol:	14.5%
