

2022 ROSÉ

DAS JUICE

THE 2022 VINTAGE

The 2022 vintage was a solid one for us with a wet early summer period followed by a dry January-April. Crops were small meaning we were down slightly across the board but quality in our mind was the best yet. For the 2022 release we secured a few new long-term vineyard leases with all wines now fully organic and from South Australia. We will be working together with our growers over the coming season to hopefully have the label fully certified for upcoming vintages.

THE WINE
